

# The Licentiate Committee and the Licensing Examination of Medical Council

- 4.1 The Licentiate Committee (LC) established by the Council is responsible for administering and running the Licensing Examination for non-local medical graduates. It is also responsible for the assessment of interns during the period of supervised training.
- 4.2 The Licensing Examination was introduced to replace the Licentiate Scheme with effect from 1 September 1996. Upon passing the Examination and completion of the prescribed period of internship, a person will be qualified for full registration as a registered medical practitioner.
- 4.3 The Licensing Examination is held annually and consists of 3 parts:-

## **Part I**

Examination in Professional Knowledge - consisting of two multiple-choice question papers, set in both Chinese and English, on professional subjects including medicine, surgery, orthopaedic surgery, paediatrics, obstetrics and gynaecology, psychiatry, medical ethics/community medicine and basic sciences.

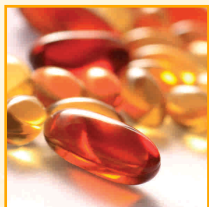

## **Part II**

Proficiency Test in Medical English - a written professional English paper to test candidates' proficiency in medical English.

## **Part III**

Clinical Examination - an examination to test candidates' ability to apply professional knowledge to solve clinical problems, in which candidates will be examined in medicine, surgery (including cases on orthopaedic surgery), obstetrics and gynaecology, and paediatrics. Candidates may answer in English, Cantonese or Putonghua.

# 4 The Licentiate Committee and the Licensing Examination of Medical Council

4.4 Candidates who have passed all 3 parts of the Licensing Examination will normally be required to undergo a 12-month internship training programme in hospitals accredited by the Central Internship Committee of the Hospital Authority. During this period, an intern will work under supervision in the following disciplines:-
